(APPENDIX D.)

REPORT OF COMMITTEE — MINISTERIAL EDUCATION.

We, your committee on Ministerial Education beg to submit the following; That we still see and feel the great need of a better educated ministry. This is a progressive age, and times demand that our gifts in the ministry should have such education and theological training as would make them edifying, and more useful in ministerial work. Therefore, we would suggest that the pastors of the several churches raise such contributions as they can for said purpose, same to be paid over to the Treasurer of the Association; which to be paid out by order of same when occasion demands.

Respectfully submitted,

JAS. W. WOODS, Ch'n.

(APPENDIX E.)

REPORT ON SUNDAY SCHOOL.

We, your committee on Sunday Schools report that we believe that the Sunday School is a great work, and we feel that it is largely the means of imparting biblical

instruction to the young people of our land, in causing them to read and get a better understanding of God's word than they would otherwise, and while we still see improvements along this line, we would urge the pastors and superintendents to press the work of Sunday School organization to the effect that we may soon overcome all opposition and soon have a Sunday School in each and every church in this Association.

Respectfully submitted,

JAS. W. WOODS, Ch'n.

(APPENDIX F.)

REPORT ON TEMPERANCE.

We, your committee on Temperance, beg leave to report as follows:

So far as the use of intoxicants is concerned, we should so far as we can strictly prohibit its use and sale, this being, as we understand, in accord with the teaching of the word of God.

J. A. ARMSTONG, Ch'n.

(APPENDIX H.)

REPORT OF EX-MISSIONARY BOARD.

We, your committee, beg leave to submit the following:

The Ex-Board of the Yellow Creek Association met with Shiloh church Saturday before the 1st Sunday in May, 1897, with a bare quorum present, but being impressed by the report of our worthy-brethren who labored for us last year, we feel inclined that the Mission work should still prevail, and viewing the matter thus, the following was the order of the board: That brethren T. W. Shelton, and S. M. Waldrop be employed to labor in the bounds of this Association, and that they confine their

work strictly to the destitute portions of the same, and that they commence their work about the 15th of July, next, and work as above stated up to the meeting of the Association, and that they rely upon the contributions of the churches for remuneration for same. Dear brethren while we feel very grateful to those who have labored for us the past year and for years past, and that the work of the few ministers we have is so much needed in their home churches, we feel inclined to recommend that we co operate with the State Mission work by our contributions and otherwise, that it may be to the effect that we may secure an Evangelist to work for us controlled by the Ex-Board of this Association.

I. J. SMITH, Ch'n.

(APPENDIX I.)

REPORT ON MISSIONS.

We, your committee on Missions, beg leave to report as follows:

Missions is a great enterprise. It has God for its author; The world for its field, and salvation of man for its object. And seeing there are destitute places, in the bounds of our Association that stand greatly in need of Baptist preaching, and we therefore recommend that this body do all to the encouragement of the churches to the enabling of our ministers to preach to the destitute portion of this Association. S. M. WALDROP, Ch'n

(APPENDIX J.)

REPORT OF MISSIONARIES.

Dear brethren:—As servants employed by your Executive Board to labor in the destitution of the Yellow Creek Association, we commenced on the 24th day of July and spent about six weeks preaching in the destitution. We find a great lack of baptist preaching in places and can safely report great destitution. Dear brethren, we have done the best we could under the circumstances, Owing to the short time we could only preach to some of the destitute, and in our judgement, there is great need of a Missionary for his full time for one year, for there could be great good accomplished if there were sufficient time spent in places where there is no preaching and our cause greatly built up, and we believe that there has been good done, and that has blessed our labors. Dear brethren, the work is great, the laborers few, pray ye the Lord of the harvest that He would send laborers unto the harvest.

T. W. SHELTON,
S. M. WALDROP,
Missionaries.

OBITUARY

Whereas the great and Spreme Ruler of the universe has in His infinite wisdom removed from among us our esteemed Brother, P. M. Woods, and

Whereas, the long acquaintance and relationship held with him in the faithful discharge of his duty as a citizen; as a

church member; as a husband; as a father, and in fact in every walk of his life, makes it eminently befitting that we record our appreciation of him; therefore,

Resolved: That the wisdom and ability which he has exercised in church and community; his contributions and councils will be held in grateful remembrance.

Resolved: That the sudden removal of such a life from among our midst, leaves a vacancy, and a shadow that will be deeply realized by all the members and friends of this church and will prove a serious loss to the community and church.

Resolved: That with deep sympathy with the bereaved relatives, of the deceased, we express our hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.

Resolved: That a copy of these resolutions be spread upon the church record and that a copy be sent to the Association for publication in the minutes.
